Date born _____ Age at date of sale _____

The puppy has had the following shots...parvo at 4 weeks, 6 weeks (check vet paper) _____

The puppy has had worming every 2 weeks, starting at age 4 weeks. Last worming received on _____

The puppy is on Victor Classic High Pro Plus food. When you purchase the new puppy, you can change to whatever choice of puppy food you desire. If you do change puppy food, we recommend mixing Victor with your new food for the first couple of feedings to help prevent loose stool. We recommend twice a day feeds, (morning and evening) Puppies will vary in how much they eat, we recommend $\frac{3}{4}$ cup each feeding. Your vet can advice as to recommended amount. Your new puppy will need fresh water at all times and all the love you can give.
